

## Library's Newsletter, October 2021

Welcome to read the Karelia UAS library's newsletter! In the newsletter, we will tell you about current affairs in your library. The newsletter appears three times a year: in spring, autumn and before Christmas.

### Opening hours, autumn 2021

You can check out all the opening and service hours from [Karelia-Finna](#).

#### Opening hours until 17.10.2021

**Self-service library** is open Mon-Fri 7.30-20.

- Tikkarinne Campus' main entrance is open Mon-Thu 7.30-18, Fri 7.30-16.

**Customer service** is open Mon-Fri 11-14.

- **On-call librarian** at the library: Mon-Thu 8-11 and 14-18 | Fri 8-11 and 14-15  
If you need help when visiting the library, please contact tel. 050 311 9545 to ask the librarian to help you. (You can also send WhatsApp messages).

#### From week 43 (25.10.2021-)

**Self-service library** is open Mon-Fri 7.30-20.

- Tikkarinne Campus' main entrance is open Mon-Thu 7.30-17, Fri 7.30-16.

**Customer service** is open Mon 11-17, Tue-Fri 11-15.

- **On-call librarian** at the library: Mon-Fri 8.30-11.  
If you need help when visiting the library, please contact tel. 050 311 9545 to ask the librarian to help you. (You can also send WhatsApp messages).

## Exceptions in opening and service hours

### **Wednesday 6.10., Sports Afternoon:**

Self-service library is open 7.30-20.

- Only on-call librarian at the library in the morning from 8 to 11.

### **Self-study week 18.-24.10.2021** (week 42)

Self-service library is open, but **Tikkarinne Campus' main entrance is open only 8-15.**

On-call librarian at the library: Mon-Fri 11-14.

- If you need help when visiting the library, please contact tel. 050 311 9545 to ask the librarian to help you. (You can also send WhatsApp messages).

## Tuudo

Tuudo mobile application has been introduced this spring and the library is in Tuudo as well.

**In Tuudo, you can turn on an electronic library card**, check your own loans and requests and see library's opening hours in the next few days. You can also contact us via chat in Tuudo. Both students and staff can take Tuudo in their use. Watch the **guide video** from library's YouTube channel.

## Library's YouTube-channel

Karelia UAS Library's **Youtube-channel** has many help videos for example how to renew your loans, how to make reservations and how to connect your library card to Karelia-Finna. Channel will be updated regularly.

## Information search workshops

In autumn 2021, library arranges information search workshops for Karelia UAS students in their Thesis process. You can see the dates and times for workshops held in English from library's **User education page**. Remember to enroll at least 2 days before the workshop date.

## Do a good deed!

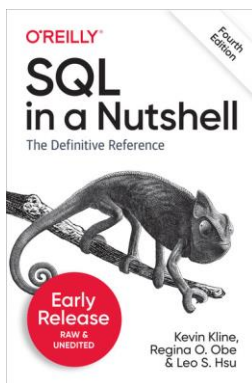

Pay your library fines and fees 1.-17.10.2021. You can pay them online on **Karelia-Finna**, or at library's customer service in its service hours. Karelia UAS donates the fees for the Joensuu Shelter for victims of domestic violence.

This campaign is part of the LibraryMOVE 2021. LibraryMOVE is national event for all UAS libraries and this year its focus is to improve the well-being of individuals, communities and nature during a pandemic.

## Books and e-books

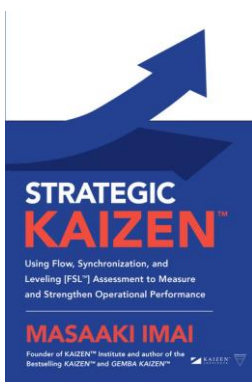

### Safari:

Kevin Kline, Regina O. Obe & Leo S. Hsu – **SQL in a Nutshell**, 4th Edition  
O'Reilly 2022 (early release, will be published in February 2022)

*“For programmers, analysts, and database administrators, this Nutshell guide is the essential reference for the SQL language used in today’s most popular database products. This new fourth edition clearly documents SQL commands according to the latest ANSI/ISO standard and details how those commands are implemented in Microsoft SQL Server 2019 and Oracle 19c, as well as in the MySQL 8, MariaDB 10.5, and PostgreSQL 13 open source database products.”*

Masaaki Imai – **Strategic KAIZEN™: Using Flow, Synchronization, and Leveling [FSL™] Assessment to Measure and Strengthen Operational Performance**  
McGraw-Hill 2021

*“A pioneer of the operational excellence movement that continues to transform businesses across the world, Masaaki Imai takes you to the next step of continuous improvement—developing an overall strategy for measuring your company’s operational performance and improving processes in ways that boost efficiency and gain competitiveness. In Strategic KAIZEN™, Imai walks you through the process of shifting your focus from volume and speed to his revolutionary Flow, Synchronization, and Leveling (FSL™) evaluation—the most effective Lean paradigm available”*

## Flexible Working

DK Publishing 2021

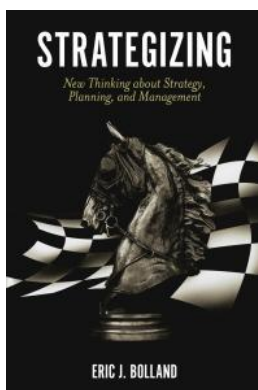

*"This practical guide gives you all of the skills to succeed as a flexible worker, and as a manager running projects and teams remotely - however far the distance may be. Discover how to adapt your management style and get the best out of your team by defining expectations, understanding the unique challenges of working outside the traditional office environment, and setting up new routines, structures, and processes. Pick up useful tips for adjusting to the home-working environment; staying focused, motivated, communicating and working effectively; keeping projects on track; and achieving the best results."*

## Ebook Central:

Bolland, Eric J. - **Strategizing : New Thinking about Strategy, Planning, and Management**

Emerald Publishing Limited 2020

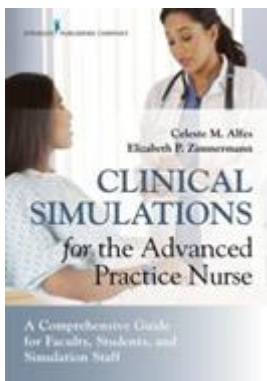

*"Strategy is an essential part of business, but strategizing often gets ignored or left behind. In this exciting new work, Eric J. Bolland introduces strategizing as a key component of strategy development and execution, showing strategizing as a way to aid organizations with their futures."*

Tan Miller and Matthew J. Liberatore – **Logistics Management : An Analytics-Based Approach**  
Business Expert Press 2020

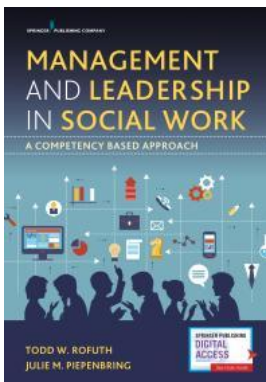

*“This book illustrates and explains a wide range of practical logistics strategies and analytic techniques to facilitate decision-making across functions such as manufacturing, warehousing, transportation, and inventory management. Logistics professionals must utilize a broad array of analytic techniques and approaches for decision-making. Effective use of analytics requires an understanding of both fundamental and advanced logistics decision-making techniques and methodologies.”*

Celeste M. Alfes & Elizabeth P. Zimmermann – **Clinical Simulations for the Advanced Practice Nurse: A Comprehensive Guide for Faculty, Students, and Simulation Staff**  
Springer Publishing Company 2020

*“This invaluable resource is the first simulation guide designed specifically to support the training and evaluation of advanced practice nursing students, novice nurse practitioners, and advanced practice nurses transitioning to new fields. This book provides a method and foundation to transform graduate nursing education to competency-based clinical evaluation, empowering programs with standardized templates and interprofessional education options for each case to advance graduate simulation education and research.”*

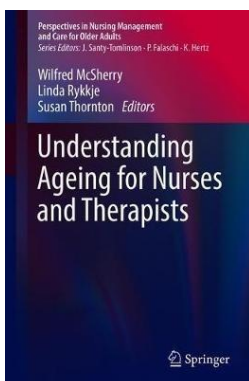

Todd W. Rofuth & Julie M. Piepenbring – **Management and Leadership in Social Work : A Competency-Based Approach**  
Springer Publishing Company 2020

*" Full of expert guidance on leadership and management, this unique book is geared specifically to the needs of social work administrators, educators and practitioners in both academic and agency settings. The contents are fully comprehensive and encompass both theoretical approaches to management and leadership plus a wide variety of practical strategies that can be directly applied to practice."*

## Printed books

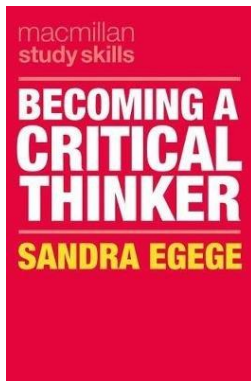

Wilfred McSherry, Linda Rykkje & Susan Thornton – **Understanding Ageing for Nurses and Therapists**  
Springer Publishing Company 2021

*"This volume is a practical resource for all those responsible for caring for older people across health and social care. It provides a comprehensive and holistic approach helping nurses, therapists and social care professionals to better understand the impact of ageing upon the person and wider society. A unique feature of this text is the focus upon positive ageing and the attempt to dispel and challenge some of the myths, prejudices and negative attitudes that still prevail towards ageing and older people."*

Sandra Egege - **Becoming a Critical Thinker**

Red Globe Press 2021

*"Help your students develop a critical mindset with this practical guide. Becoming a Critical Thinker begins by unpicking where knowledge comes from before showing students how to recognise biases and approach evidence objectively. Becoming a Critical Thinker is an essential introduction to critical thinking for undergraduates of all subject areas."*
